Mr. Laurence "Larry" Edwin Atwell, 78, passed on to his heavenly home on Tuesday, October 30, 2018, at Transitional Health Services in Kannapolis.

Mr. Atwell was born June 11, 1940 in Philadelphia, PA. He was a son of the late William Atwell and Florence Abel Atwell. He was a member of All Saints' Episcopal Church. Mr. Atwell retired from Ogden Security Company in Hartford, CT, where he worked as a security guard. Larry became a Master Mason November 11, 1981 at Orient Lodge #62 A.F. & A. M. in East Hartford, CT, he served as Worship Master the following years 1991, 2005 and 2006. Orient Lodge joined Columbia Lodge #25 in So. Glastonbury, CT. Larry was very proud of his Masonic Lodges and enjoyed them.

Larry joined the Order Of The Eastern Star and was Worthy Patron for 6 times, he served 5 of those times in the East with his wife and we had a great time. Larry also became a Grand Representative to Ohio and again to Vermont. We did a lot of traveling for the Mason's and Eastern Star. It was a life we love. Larry became a member of Newell Chapter #344 of Newell, NC. This past March he became Worthy Patron with Worthy Matron Greta Torrence.

I know Larry is at rest and the hurting is no more. I know in my heart as Larry was going home to the bridge we all cross over, I call it the Rainbow Bridge, because that is the bridge he will cross because waiting there and wagging her tail is his beautiful Katelyn, she has gathered with her all her cats to greet their Daddy home.

I will miss you honey, I will carry on because I know you are with me always. Until we meet again I love you.

In addition to his parents, he was preceded in death by his four sisters, Marie, Delores, Lenora and Frances; and three brothers, William, Robert and Donald Atwell.

Larry leaves the love of his life, Jacqueline "Jackie" Perkins Atwell, they celebrated their 37 wedding anniversary on September 19th; and two brothers, Richard Atwell and Phillip Atwell, both of Philadelphia. He also leaves his two "mutton heads", the two cats, Sissy and Spanky. He told Jackie that they visited him a couple of nights at the rehab center, she told him that was great.

“ My Uncle Larry was instrumental (no pun intended) in bringing music into my Parents home. He would give many record albums to my Father who would then play them all the time for us children. It is because of my Uncle Larry not even realizing his kind gesture, that I have a great appreciation for music. Thank you my Uncle for your laughter, love and gift of song that I am blessed to have known you. Love your nephew, Robert Atwell, Jr.

“ Honey, I have many memories of us. Memories of us joining some good friends, Elaine, Doug, Joyce and Ed at the Gathering of the Clans, Scotland in NH at the highland games at Loon Mtn. The pipes and drums, the food and just a wonderful time with our great friends. Other times when you, Katelyn and I travel across country to visit Elaine and Doug in AZ, that was a good trip and a wonderful visit. I have some many good memories, maybe some day I will write them all down in a book, called Memories with Larry. Love you and miss you so much.

“ I got my first ever album from Uncle Larry when I was about 10 years old. It was the Monster Album and featured songs like Dracula Drag and Frankenstein Meets The Beatles. I still have that album. I also remember his room when he was still living with Grandmom and Grandpop had airplanes dangling on strings from the ceiling. The last time I saw him and Aunt Jackie was at Uncle Ritchie and Aunt Mary Ellen's 50th wedding anniversary. He had a great sense of humor. I will miss his comical whit
