“ We will always remember the good times we had when Tony and Don were stationed at Wurtsmith AFB. We didn't have much money but always found fun things to do together. You and Tony were our dearest friends in those days and have remained so through all these years. Tony was a wonderful man. Our love and prayers to you, Patsy and Todd.

“ I first remember Tony when I was a young arrowman in Itibapishe Iti Hollo lodge. He was always serving whether it was working on the electrical wiring at camp, cooking at the horse show or for lodge events, or patiently working with youth members to guide them into becoming good men. After I became an adult, I continued to see these same qualities when he would attend Camp Barnhardt with his troop. I came to know him better and he became one of my scouting friends. I was fortunate to get to work with him on several Wood Badge staffs where he continued his quite example filled leadership style that was an inspiration to all. Although I was away from the area for many years, when I returned, Tony was a familiar friendly face. He met me on several occasions to trade patches and old memories. It was such a wonderful time. Thank you Tony for living the Scout Oath and Law where we all could see your example. May God bless you and your family.

“ I am so sorry for your loss. Tony was a Scout leader for my son, Steve, and was very instrumental in Steve becoming the man he is today. I was a single parent and Steve saw very little of his Dad so the good men in his life, like Tony, taught him about what it takes to be a good, kind, successful man. I am so appreciative of the part Tony played in Steve's life and therefore, in mine.  
Keeping you in my thoughts and prayers,

“ Thank you so much. Tony had a special place in his heart for his Scouts. Steve was a special boy and I think Tony would say that he got as much or more from knowing Steve as Steve got from him. He truly was proud as a dad each time a boy reached Eagle.

“ I'll never forget going with cousin Todd when we were kids to watch his dad, my Uncle Tony, play baseball. He'd get us each a soft drink and a hot dog with chili, mustard and extra onions and we would hurry to the stands to watch Tony play. What an unforgettable experience it was! To this day, I always fix my hot dogs the way I learned to love them best as a kid at my Uncle Tony's baseball games, with chili, mustard and extra onions.

“ Though he was thirteen years my senior, I have fond memories of playing softball with Tony at Five Forks, back when St Enoch had a team. It seems like yesterday, and it seems like a hundred years ago. I know he will be missed.
